

Salmiya Indian Model School, Kuwait

21st June, 2018

No. SIMS/PC/019/18

Dear Parents (of Grade 10, 11 and 12)

SUB: RE-EXAMINATION

Trust this will find you in the best of your health and spirit. I hope the children are focusing on studies in the vacation at least for 2 hours per day instead of wasting the whole time only in fun and enjoyment.

I am compelled to write this during the vacation time because a few children have not done well in the first periodic test though there was enough time to prepare for the limited portion of the first periodic test. The students need to work harder in order to do well in the final exam. Therefore we have decided to go for the Re-examination for those students who have scored less than 13 out of 40 in any subject of the first periodic test. The teachers are available in the school on 26th and 27th August. The students can contact the teachers for the guidance they need if any.

The Re-exam will be held as per the below Time Table. Kindly ask your children to prepare well. It is compulsory to clear this exam before we register them for the board examination. The portion, duration, question paper pattern of the re exam will remain same as that of first periodic test.

We do not want the students to miss their regular classes due to re-exam schedule. Therefore the timings of the exam is 1 pm to 2.30 pm. The parents are requested to make transport arrangement for the students accordingly and we request parents to cooperate in this regard. We are sure our students will not disappoint us and they will take this advance notice very seriously to prepare well for the re- exam.

Thanks and regards,

Anita S

Officiating Principal
